ENERGY

The Keystone State is a national leader in both energy production and resource diversity.

The Pennsylvania SBDC helps small businesses understand options and find opportunities in the energy sector.

We can help you with:

- Business Planning & Marketing
- Identifying new markets internationally, or within the government
- Helping understand
 - Shale energy supply chain opportunities
 - Gas utilization opportunities
 - Clean technology resources
 - Alternative energy and energy conservation options
- Identification of financing and other incentives
- Educational seminars on energy topics
